# Visit sacred places & stay at a magical retreat

## Visiting sacred places:

We will enjoy the beautiful nature of our glamping retreat and also venture out to three of my special places in Herefordshire. These sites offer energising, restorative reconnection to self & nature. I will share practices for entering into a sacred relationship with the land to:

- Meet your inner wise women with an ancient yew tree at least 1,500 years old
- Cleanse and replenish at a sacred spring
- Connect to your vision and enjoy the vista at the top of hills that are ancient places of ritual.

## All within 30 minutes of our magical, gloriously luxurious glamping retreat base, complete with:

- Woodfired hot tubs
- Fire circle
- Luxury beds and glamping facilities
- Gorgeous lounge for relaxing indoors

Each day we will have time together in circle, guided meditation, intuitive practices, and rest/restore time.
